FIELD OFFICE TECHNICAL GUIDE NOTICE ND-30

This notice announces the following changes to Section I and Section IV of the Field Office Technical Guide (FOTG).

- Seeding rates have been changed for Maximilian sunflower, Hairy vetch and Sainfoin in the Herbaceous Vegetative Establishment Guide, Section I - Reference List - Plant Materials subsection of FOTG.
- Section I Table of Contents has been revised by adding a summary of the contents of each Technical Guide Notice.
- Conservation practice standard Watering Facility - 614, dated March 2003, replaces Trough and Tank - 614, dated January 1990.
- Section IV Table of Contents has been revised to reflect the current dates of practice Design and Installation Guides and practice Documentation Requirements linked to the eFOTG.

Filing Instructions: Print out the attached Section I - Table of Contents. Edit the Table of Contents to include local information, then replace the outdated Table of Contents

Direct questions to Mark A. Anderson, Resource Conservationist, (701) 530-2039 or mark.anderson@nd.usda.gov.
